

Summer 2019

Water play  
every Friday

Please join us for some fun-filled activities throughout the summer. We will be using the STEM approach to learning. Below is just taste of what is yet to come!

### Session 1 – June 5-7 - Fun in the Sun

- Build sand castles
- Water play
- Picnic

### Session 2 & 3 – June 10-14 & June 17-21 –

#### Space Exploration

- Create a rocket & launch it
- Make ice cream and eat like an Astronaut
- Learn about the planets

### Session 4 & 5 – 8 - June 24 – 28, & July 1-3

#### Traveling Around the World

- Make a passport
- Crafts, songs and games
- Travel to different countries
- Try food from different countries

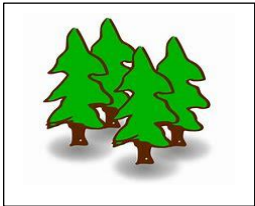

### Session 6- July 8-12

#### Cow Appreciation Week/ Farm

We will make a cow costume so families can participate in Chick-fil-a's "Cow Appreciation Day"

- Make butter from heavy cream by shaking

### Session 7- July 15- 19 Exploring the Great Outdoors

- Forest and lake animals
- Study insects, bugs, and plants
- Pretend we are camping
- Observe the life cycle of a frog

### Session 8 & 9 - July 22-26 & July 29-August 2 – Create It, Build It, Explore It

- Explore Simple Machines
- Allow Elementary children to take apart an old machine
- Answer children's questions about "How things work"
- Build structures to discover firm foundations

## End of the Summer Bash – August 2

We hope to see you at Aloma Summer Fun Days 2019!!!
